LIBRARY BOOKS

Monday 19th June is the last day for the issuing of library books to pupils in second to fourth year this term. All books borrowed by pupils in these year groups are due back in the library by Friday 23rd June so that a stock check can take place this summer. Fifth and sixth years may continue to borrow books as usual and over the summer holidays.

Mr Clarkson

Design and Technology Models

Come and collect your models from the workshop if you haven't already taken them home, if you do not do so they will be disassembled and recycled for use next year! Make sure they are collected by Friday 16th June.

S3 Girls - Marine Technology Residential Course

The Smallpiece Trust is offering 5 **FREE** places for female S3 students on Marine Technology Engineering residential course at The University of Strathclyde from 24 July – 27 July 2017. This 4 day (3 nights) residential course the opportunity to combine hands-on engineering together with practical application of computer software and theory. This will give students an excellent overview of the exciting challenges involved in a marine engineering career. If this is something you would be interested in please see Miss Donaldson ASAP.

Ms Donaldson

S5

Silver D of E Canoe expedition group.

A reminder that we have our first meeting this afternoon from 1 – 3pm in the OE Base. **Mr Blevins**

S5/6

Any Senior pupil who is interested in helping in classes in Modern Languages Dep please come and see Mrs Millar. ASAP

We are looking for Senior pupils to support both in class and at a lunch time HW clubs.

This input could be included in personal statement and seen as a useful and worthwhile contribution to school community.

We would be delighted to have your contribution to our department!

Ms Miller
